The quality of this picture *(right)* is not a true reflection of the exhilarating opportunity Coach Mo had to encourage & advise the members of the *Fathers and Men of Professional Basketball Players Org*. Upon the invitation of Dwight Howard's and Chris Paul's fathers, Coach led the men to communicate transparently, connect hearts and craft their mission statement. **Please pray** for sustained momentum & future partnership in ministry with these brothers.

Thank God for brothers in the Lord!

Witnessing God changing lives and setting people free from sin -- including unforgiveness, immorality, unbelief, infidelity, addictions, self-reliance, misplaced priorities, idolatry, depression and fear-- gives us great reason to rejoice and thank God for the privilege of being ministers of His grace & truth. Thank YOU for your prayers and partnership in the Gospel, the true LIGHT of LIFE.
