

**The Gathering at The Final Four** featured

the wives of the coaching staff at the University of Virginia who shared their stories about REAL relationship, REAL success and REAL hope. The 150+ coaches' wives in attendance were incredibly blessed by the transparency of the panel, encouraged by hearing from and sharing with other women with whom they can relate, and inspired to pursue deep relationship with God and one another. Our guests commented,

*"The Gathering* has opened me up to so many new thoughts and has given me a whole new outlook on life."

**Please pray** that time invested at *The Gathering* will produce lasting friendships & stronger families built upon the reality of faith in Jesus.

"This event is so encouraging and needed for coaches' wives. I can't wait for all of our staff wives to be able to experience it."

**COLORADO SUMMER** – Every other July, the missionaries who serve in the U.S. with \*Campus Crusade for Christ, the parent ministry of AIA, descend upon Colorado State Univ. (CSU) with their families for a 2-week conference. Our days were full of worship, teaching, prayer, breakout sessions, training and FUN! It's amazing to see what God does when we come together in humility, brokenness and sustained worship, desiring to be fed and charged to do spiritual battle. Kudos to Francis Chan, David Platt, Amena Brown, Dan Allender, the Keynote-Impact worship band and many others who helped us so much. We left CSU refreshed and renewed!

**Meredith** (left) spent a few additional, adventurous weeks in CO with her Keiser Kousins -- zipping, hiking, biking, reading, working VBS and celebrating her 18<sup>th</sup> birthday. **Please pray** about her job & college search.

**Daniel** (middle) cut his summer baseball season a bit short to join Meredith and the rest of the Brubaker Clan in Steamboat Springs, CO, for meaningful and fun-filled family time the week before CSU.

**Deborah** (far right) and friend, Kristen, enjoyed their first year in the teen Getaway program at CSU...including the infamous food fight!

**We thank God for the blessings of a rewarding summer.**

In addition to requests previously stated, **please pray** that...

- we and our children (8<sup>th</sup>, 10<sup>th</sup>, 12<sup>th</sup> grades; sophomore & senior in college) will make time to tend to our hearts, souls, bodies and minds while building friendships and pursuing academic, extra-curricular, personal and ministry goals.
- the International Coaches' Academy (NOV) hosted at AIA will be well-attended, build men...and the Kingdom.
- more AIA alums will be strategically placed overseas and perceive their playing opportunity as ministry
- Kelly will discern how to invest in new ministry options.
- God's Word will take root, grow, and produce fruit in many who receive (almost) daily Bible study texts from Coach Mo. To be added to list, text Coach at #937-903-8322.

*With love & thanksgiving,*
