

January 2012

Dear Friends and Family~

To God be the Glory for meeting all our needs through you who have been so caring for us and the ACCG Ministry.

Grace Global Ministries has done an excellent job in caring for our need of a mission agency. We were at our Annual

Tri-M meeting January 1-6 and had much to discuss due to the collapse of EBM. It was a great time with our fellow Tri-M team members. We worked on giving our 2011 reports, updating policies, discussing what we must do so that Tri-M will continue after our (ageing) generation, and the list goes on. Here is a portion of our 2011 report:

Ministry ~ SLOVAKIA

- Assisting: Rackova Training Center – Low ropes, construction, and manual labor
Camp Opal - Site planning and consulting
- Teaching: Mission students – University in Banska Bystrica
Two modules at Predna Hora - State Rehabilitation Facility for Drug addicts
- Training: Couples leaders in Slovakia
Youth workers in Slovakia

Ministry ~ UKRAINE

Staff training:- leaders of summer Camp

New Ukraine camp - **Camp Chudei** - this is the first residential camp in one of the Romanian speaking villages that we held camp in several years ago. We were able to rent this new facility for our staff to stay in and do additional staff training while leading camp in another village. It is our prayer that we can go and help Camp Chudei with construction of more cabins, and assist in expanding their program potentials.

Camp 1 – Molnita

Camp 2 – Eghest

This summer it was great to again see many of the children that attended our 2010 Molnita camp. Eleven of these children are now attending their Sunday School (9 of the 11 were able to attend camp again this summer).

One of the exciting opportunities we have had is building relationships and being invited into the homes of these individuals who are excited in reaching their youth with the gospel. They are interested in using camping as an avenue of connection. We have seen several who we've ministered previously with who have done camps this past summer.

Pray for wisdom in our upcoming 2012 ministry. (Just a tentative snap shot of opportunities):

- Jan – Feb Tri-M Meeting - Assisting at Camp Sparta - CCCA Ohio Sectional - Meetings in Northern Ohio
- Mar – Apr Meetings in Ohio and Michigan
- Apr – May Slovakia Ministry

Jun – Jul	Ukraine Camps
Sep – Oct	Slovakia Ministry
Nov 2–11	Co-host Study Tour to Israel with Dave & Sue Dernlan

Thank you for your encouragement, love and support. Your partnership with us in ACCG is deeply appreciated.

Love in Christ,

Philippians 1:2-6
