

Dear friends

November 2011

To God be the Glory from Whom all blessings flow.
Where did the year go? Here we are in the week of Thanksgiving already.

God floods our hearts with thanksgiving:

- >For each of you that are in partnership with us in the ACCG ministry.
- >For the exciting ministry we have had in Eastern Europe this year.
- >For working out all things after the collapse of EBM and the help from Grace Global Ministries.
- >For the opportunity to see God answering your prayers and ours.

Thank you for praying for our connections with flights, buses, trains, and our rental car. Every leg of this ministry went great and was like clockwork. We landed in Krakow, caught a bus within 5 minutes to the train station, then caught the train within 1 minute, then after walking to the bus station we saw our bus was just loading for Zakopane so we bought our ticket and climbed right on the bus. When we arrived in Zakopane we were just going to call Hanka and Dusan and they walked in the back door and within 2 minutes we were on our way to Rackova. Praise the Lord for the smooth connections and no delays along the way.

God gave us a amazing ministry in Slovakia.

- a. Rackova Camp and Retreat Center
 - We had a training module
 - Worked on the low ropes course
 - Assisted in physical work on foundation of a new storage building
- b. Poprad
 - Meetings with Dr Joseph Brenkus, president of ZBZ planning for teaching in April

Have a wonderful Thanksgiving thanking God for the great things He is doing in all of our lives. You are a vital part of our ACCG team. GOD IS GOOD!!

In Christ's love,
Gary and Nancy
