

Dear friends and family
September 2011

We are doing fine. Many have encouraged us with kind words and actions. Thanks!

A prayer requests:

1. Meetings with the boards at Grace Baptist Cedarville who will act as our temporary agency.
2. Mission conference Grace Chapel West liberty.
3. Host Romanians with the Dermlan's.
4. Help Wendy pack a couple of days as they are moving to Florida. Matt and the boys left yesterday so they can get adjusted in their new school. When Matt finds an apartment, he will fly back, load the truck and move.
5. Final preparations' to leave for Europe October - November. Yesterday we received an email invitation to teach another Module for camp leaders in Slovakia.
6. With the closing of EBM, we must find health Insurance for Nancy I am not that "OLD", but I am on MEDICARE. Who ever thought we would be happy to get on M...CARE.
7. Praise - we received our reimbursements for the June – July Ukraine camps. It appears that all the money in our account is lost, apart from a miracle.

To God be the Glory for how he is working in our lives. Through each trial, God draws us closer to Him.

In Christ
