Dear Praying Friends,

The clock is ticking down before our departure to go to Ghana West Africa for a two-month teaching ministry. Our departure date is set for September 4<sup>th</sup>. Please pray for us as we prepare and get all of the final details worked out.

George ready for Surgery #1

There was one bump in the road recently on our way to preparing to go. After a planned hernia surgery on July 19 George got sick and just a week later returned to the hospital for a CT scan. Since the CT scan wasn't clear and there were many questions about what was going on in his lower abdomen the doctors decided to do an exploratory surgery. They found an inflamed appendix and removed it, but no other problems. We praise the

Lord. He also blessed us with opportunities to share our faith with those who ministered to us. Please pray for George's complete recovery.

after Surgery #2

Shirley and her siblings minus one

Reunion was the theme for our summer. Shirley's family planned a reunion of the Dick family. Over 50 people showed up for a picnic and fun together. Since our son, George, and his family were in the USA for the summer, it gave our family a chance for a reunion also. All 3 of our kids and their families were together for the first time in a long time. We also got to see the newest member of our family, little Matthew George Weber, born in Bangkok in March. Both were great reunions.

Many are wondering about the railroad situation at our hospital in Bangladesh. As of this writing we still haven't heard any news from the field. So continue to pray that the minds of the Bangladesh Railroad people will be changed and that they will reroute the railroad.

We are excited about our first trip to Africa and we thank you all for praying for us. May God bless you all.

Love in Him,

George and Shirley Weber
