Bar-sur-Seine France

Dear Friends,

It has been awhile since we last wrote and Kathy and I want to tell you how the Lord has been blessing the ministry here in Bar-Sur-Seine. We have seen God bringing new folks to our church: some are believers who have moved into the area, others are friends and family of our church family who are searching and open to biblical teaching.

As you have learned on your journey with the Lord, God brings blessings and also challenges as we strive to serve Him. In our most recent updates we had asked you to pray for Bernard. Praise God! Bernard trusted Christ as his Savior 3 months ago. Not long after making this decision, Bernard was killed in an accident. He passed away instantly. What a comfort it was for our church family to know that Bernard, though young in his faith, is now with the Lord. We are also excited to share with you about the salvation of Noël and Micheline. They are a couple that has been attending our church for about a year. Two months ago, during our time of Bible study with them, they realized their need for salvation and called upon Jesus to save them. Please pray for this couple, that they would continue to hunger for the Word and grow strong in their faith in Christ.

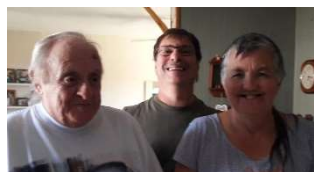

We continue to deal with people who have been falsely taught because of background in the Catholic church, Jehovah's Witness...We need much wisdom and sensitivity as we do this. We'd ask you to pray for this.

We've mentioned this before but would appreciate your continued prayers as we seek a French-speaking couple to come care for the ministry here during a much-needed furlough. We have been given several names as possibilities and have followed up on each one. As of yet, there is no definite positive response. We are currently corresponding with a retired British pastor and his wife who have had a limited amount of experience in French. They are praying about this possibility as are we.

We had some sweet times with the youth and children in our church over the summer and thought we'd include a couple of pictures. We are so thankful to the Lord for these young ones who are growing in the Lord.

Watching France win the World Cup 2018!
